

PRIORITIES FOR CURRENT PDP-1 PAPER TAPE CATALOGING EFFORT

Prepared for SCC meeting
by Judith Tauber-Lovik
February 15, 2006

1. Find them all.
 - a. In the PDP-1 lab
 - b. Crossover with Al Kossow's collection
2. Get their existence in the "system"
 - a. Adequacy/use of existing "form"
 - b. Parallel capture of info for non-catalog use
3. Preserve and protect them (as-is)
 - a. Suggestions for containers/handling
4. Get working copies made (as-is)
 - a. Resources/repositories/cataloging of these
5. Understand/improve them
 - a. Tools for reading/printing/executing
6. Transfer them to "other" media
 - a. Printout
 - b. Downloadable file
7. Demonstrate them via simulation
 - a. Resources/objectives TBD
8. Publish findings on SCC website
 - a. Resources/objectives TBD
